

Vehicle and Traffic Law Consultations

It is often not necessary to have an office consultation for parking tickets and/or speeding tickets. In most cases, we can represent you if you provide certain specific information and documentation which will enable us to negotiate your matter with the District Attorney's Office.

If you have a ticket of this type, please provide us with the following:

- (i) a copy of your Driver's License;
- (ii) a legible copy of your ticket;
- (iii) an original DMV certified copy of your Driver's Abstract;
- (iv) a completed Explanation of Charges Form for your present ticket and each prior charge indicated on your Driver's Abstract.

Please note that, while this form is for internal use only, the information provided may be used in connection with our negotiations regarding the current offence.

If you wish to retain this firm to assist you, please call our office and speak with one of our staff.
